20. [] Shirlee McGlooin, administrative assistant to Representative J. William Stanton, (R., Ohio), phoned to inquire how a constituent in Columbus, Ohio would go about reporting to the Agency information which he believed was of significant intelligence value. Apparently, the constituent in question had once been in military intelligence. I told her I would get back to her with the information.

21. [] Called Ralph Malvik, Office of Management and Budget, and inquired as to the status of the Agency's proposal to amend the CIA Retirement Act. Malvik said he had asked for comments from two agencies--the Civil Service Commission and Treasury. He had heard from Treasury and they had no problems with the funding proposal. He had not as yet heard from the Civil Service Commission and thought they might have some problems. Once he hears from them, the measure will be cleared for submission to the Congress.

I subsequently called [] DD/PERS, and he said he would immediately call his contacts in the Civil Service Commission and see what the hold-up was.

22. [] Received a call from Andy Gabriel, in the Legislative Liaison office of the Vice President, and discussed in general the Agency's handling of requests by individuals under the Freedom of Information Act for any information that the Agency may have concerning them. Gabriel wanted this as information in handling requests which he has been receiving from individuals from time to time.

23. [] Mike Cavanagh, Staff Assistant, House Post Office and Civil Service Subcommittee on Postal Facilities, Mail, and Labor Management, called to advise us that the letter to the Director requesting his appearance to discuss the mail survey program would be ready for pick up tomorrow morning, 19 June 1975, in the office of Chairman Charles H. Wilson (D., Calif.). Cavanagh said the date for the meeting would be left open since the original date of 24 June presents problems. I again made it clear that there was no firm commitment being made as to the Director's appearance.

24. [] Received a call from Al Tarabochia, Senate Judiciary Subcommittee on Internal Security staff, who asked for the Cuban ambassadors to Panama and Portugal. After calling LA Division and checking with [] I called Tarabochia back and gave him these names.
